Mandatory Cost Proposal_Firm/Fixed Pricing

Bidders are to reference the specifications document for information regarding pricing and contract term. All pricing is to be firm/fixed for the initial term of the contract. **Pricing <u>must</u> <u>be</u> <u>provided</u> <u>for</u> <u>all</u> <u>products</u> <u>listed</u> <u>under</u> "ENDPOINT SECURITY PRODUCTS_STATE STANDARD."** Failure to do so shall result in the bid being deemed "non-responsive", and no further consideration will be given to the bid. Bidders without McAfee certification will not have their bids considered. Pricing is <u>requested</u> for all products under the section "ADDITIONAL INDIVIDUAL FEATURES - Not included in State Standard."

DLP	**McAfee Host Data Loss Prevention** LICENSE: Per Node. DELIVERABLE: Download Only. PRODUCT CONTENT: McAfee Host Data Loss Prevention a comprehensive data loss prevention solution, comprised of agent software installed on end-stations across the enterprise, and a logging and analysis server, through which centrally-managed policies are deployed, real-time events are monitored and reports are generated. With McAfee DLP solution, centrally managed security policies are applied on end-stations and are used to monitor and restrict the usage and transfer of sensitive data. The result is a cost-effective and flexible solution that offers innovative methods for preventing classified information from leaking out of the organization and effectively addresses data loss problems.
